

## Confirmation of Participation 2022

Vienna, 04.02.2022

INTERSEROH operates a collection and recovery system for packaging materials in accordance with § 29 AWG 2002, and on the territory of the Republic of Austria organizes the collection and recovery of household and commercial packaging.

**LECTRA Technik AG**

**Blegistraße 13**

**CH 6340 Baar**

with contract number **136034**

takes part in the packaging-system operated by INTERSEROH with regard to the household and commercial packaging that has been put on the market by him in Austria, whereby the corresponding obligations from the Packaging Materials Ordinance are conveyed from the partner to INTERSEROH and are fulfilled by the latter on behalf of the partner (relief of obligations).
